

Appellate Practice

The attorneys at Yankwitt LLP are skilled appellate practice lawyers experienced in both state and federal appellate courts. With a sophisticated understanding of the law and a creative approach to legal problems, our appellate practice attorneys can analyze a trial court record, identify any and all grounds to appeal an adverse decision or affirm a favorable one, and formulate the most effective plan of attack. Through our attorneys' top-notch legal writing and persuasive oral advocacy — skills honed as law clerks to federal circuit and district court judges and as former federal prosecutors — Yankwitt LLP's appellate team has taken on our clients' toughest, high-stakes appeals and prevailed.
