Daniel Alter Featured in Member Spotlight in January Issue of Westchester Lawyer

Yankwitt LLP's newest partner [Daniel Alter](#) is featured in the Member Spotlight of the January issue of Westchester Lawyer, published by the Westchester County Bar Association. The interview explores Danny's current position with Yankwitt LLP and his years of public service as an assistant United States attorney in the Southern District of New York and with New York State Attorney General's Office.

The interview also provides insight into Danny's personal life, including, what would he have done for a living if he were not a lawyer, what are some of his favorite movies and what people might be surprised to learn about him. Danny also shared sound advice he once received: "you cannot control what people say about you; you can only control what you do." We encourage you to read the Member Spotlight and discover the answers to these and other insightful questions about Danny Alter.
