How Our Premise Liability Litigation Attorneys Can Help

Our premises liability litigation attorneys are aggressive trial lawyers, who utilize that expertise to achieve the best possible results for our clients. Because we are one of the few law firm that routinely try cases, we are able to optimize outcomes in the most cost-effective manner possible. Yankwitt LLP staffs each premises liability matter leanly with one senior attorney through summary judgment and two at trial. We focus on targeted and streamlined discovery practices, with an emphasis on dispositive motion practice, and a constant eye towards achieving the best possible settlement – when settlement is in the client's best interests.

Given our wealth of premises liability defense experience, we are optimally positioned to counsel our clients on when to take a case to verdict and when to settle before trial. In that regard, we frequently pursue [alternative dispute resolution](#) mechanisms and have obtained some of our great successes at court-sanctioned settlement conferences, mediations and binding arbitration. If settlement is not possible, however, we will happily take cases to trial and try numerous premises liability cases in New York and New Jersey each year.
