Westchester County Business Journal Publishes Employment Article by Michael Reed

The *Westchester County Business Journal* published the article, "**Employment Laws Every Westchester Employer Should Know**," by Yankwitt LLP attorney Michael Reed, in its September 16, 2019, issue. In the article, Michael discusses two common, avoidable, and extremely costly pitfalls that employers often encounter related to notice of wage rate and wage statement requirements. The article explains the obstacles, and how employers can easily avoid them.
