Yankwitt LLP and its longtime client, Morano Group, are partnering to support Westchester County’s endeavor to commemorate the tragic events that transpired in Israel on October 7, 2023.

Morano Group and Yankwitt LLP have agreed to share in the cost of the landscaping services for the creation of Westchester’s October 7th Memorial, sponsored by the Westchester delegation of the Jewish Agency for Israel and UJA Federation of New York. This memorial, featuring a poignant garden adorned with poppies crafted by families within the Jewish community, will be unveiled on Yom Hazikaron, Israeli Memorial Day, on Monday, May 13, 2024, from 12:00 to 1:00 p.m.

Russell Yankwitt, the founder and managing partner of Yankwitt LLP, emphasized, “The tragic events of October 7th transcend religious or national boundaries. We appreciate our friends from Morano Group for helping to create this beautiful and important memorial.”
